

RDB Partner Community

RDB Connect

RDB Connect has been developed to provide RDB partners access to each other without the need to always establish direct relationships. This enables partners to communicate and plan complete packages for clients smoothly and efficiently.

The portal creates an excellent community that, if used properly, can become an extremely powerful resource.

RDB Connect is a secure portal offering access to:

- ➔ White papers
- ➔ Sales Tools
- ➔ Community Forums
- ➔ ROI Calculators
- ➔ Product information
- ➔ Partner Profiles
- ➔ News

Benefits

- ➔ Having a pool of specialists in one place willing to answer questions and able to offer technical support.
- ➔ Ability to advertise your services to a community of partner companies.
- ➔ Keep up with latest technologies by accessing latest technical journals.
- ➔ Opening opportunities that otherwise might be missed due to lack of expertise.
